- No
- Yes
- I don't remember

9. How often do you use sunscreens when you are exposed to the sun?

9.1. When you are outdoor for > 1 hour (other than sunbathing):

- Never
- Sometimes
- Always

9.2. Do you apply sunscreen when you are sunbathing:

- Never
- Sometimes
- Always

9.3. I never take a sunbath:

10. Did you spend in total one year or more in a country with much higher sun exposure than the country where you currently live?

- No
- Yes, before the age of 18: years
- Yes, after the age of 18: years

11. Sun exposure during adulthood?

11.1. Number of weeks per year at sunny holidays:

- 0
- 2 weeks or less
- more than 2 weeks

11.2. Do you use solarium?

- No
- Yes 20 sessions or less/year
- Yes, 21 or more sessions/ year

11.3. Number of years using solarium (including in the past only): yrs

To be completed by physician:

12. Family history of melanoma (melanoma in first degree relatives: father, mother, brother and sister):

- No
- Yes:1 relative
- Yes: >2 first degree relatives
- Patient doesn't know

13. Personal history of skin cancer:

- No
- Yes, melanoma
- Yes, non-melanoma skin cancer
- Patient doesn't know if he/she has had skin cancer

14. Skin examination performed today:

- full
- partial

15. I used dermoscopy to examine this patient:

- Yes
- No

16. Clinical examination:

- Yes
- No

16.1. Number of moles:

- <25
- 25-50
- 50-100
- >100

16.2 Presence of lentigines on the back / chest:

16.3 Presence of atypical moles (according to definition*):

* (asymmetry, ill-defined border, irregular pigmentation/color, diameter >6mm)

16.4 Presence of actinic keratoses:

17. Clinically suspicious lesions #:

- No Yes
- No Yes Number: ____
- No Yes

1. Melanoma: No * Yes ___ Number

2. BCC: No + Yes ___ Number

3. SCC: No # Yes ___ Number

4. Other or clinically undefined: No Yes ___ Number

18. The lesion was first detected by (please fill only when there is a clinically suspicious lesion observed by the dermatologist, if there are several lesions, the clinically most important one):

- patient
- dermatologist
- another health professional
- spouse/partner
- other person
